

Tips To Maximise Your Donations

01

Share Your Story

Tell potential donors why you're fundraising & what their support means to you.

02

Set a Target

On average, people who set a target raise 46% more. Donors will want to see you raise your target & donate more.

03

Personalise your Journey

Put a face to your fundraising journey. People are more likely to donate if you upload a photo.

04

Cash Donations

Add any cash donations to your online fundraising page.

05

Share your Journey

This could be a monthly update on social media. Show people how much effort you are putting in.
